

Optigen 20/20 Clinic

If interested in participating in the upcoming clinic please email to kandansk.poodles@gmail.com

Please include the following information:

Subject: Optigen - Camrose

Breed and number of dogs to be tested

Day wishing to be tested (Sat & Sun)

Preferred time of day

If entering show with dogs to be tested?

I will get back to you to confirm and forward the required paperwork to be completed and brought to the clinic

Cost will be 20% less than listed and there is further cost saving if multiple litter mates being tested which I can make you aware of if you inquire.

Additional cost to Poodle Club of Alberta will be \$25 for each dog. If multiple tests on same dog required an additional \$5 will be added to cover supplies. The club will also ensure proper shipping of specimen

Attached is a list of breeds and tests available
