## GENERAL INFORMATION

**Entries must be typed, filled and signed correctly and emailed. Owners are responsible for errors on entry forms. No phone, mailed or late entries will be accepted.**

A separate entry form for EACH dog in EACH test is required (on an official CKC Entry Form).

A Temporary Competition Number (TCN) as established by the CKC, and a fee of \$10.00, must accompany the entry of a dog for which a CKC individual registration or an ERN is not shown on the entry form.

A TCN cannot be used for dogs that require a PEN (Performance Event Number) or CCN (Canine Companion Number)

ERN's for foreign born or foreign owned dogs can be obtained from the CKC.

ERN must be applied for within 30 days of entering a CKC event.

**Bitches in season are not eligible for entry and are not allowed on or near the test grounds.**

Bitches may be subject to vetting.

In the event that a dog is absent, disqualified, excused by a judge or barred from competition by action of the Test Committee or the Canadian Kennel Club, or because it has been entered incorrectly, or if it is impossible to open or complete the test, no refund of entry will be made.

Entry and listing fees paid for any dog withdrawn because of estrus, illness or death shall be refunded in full. An appropriate veterinary certificate must be given to the Test Secretary before the start of the test to qualify for a refund. Refunds must be requested in writing to the Test Secretary, and once the catalogue has been printed, will be less CKC event fees. Other refunds (less a scratch fee of \$10.00 per dog) may be given in extraordinary circumstances at the discretion of the Test Committee and must be requested in writing and received by the Test Secretary within 7 days of the last day of the test.

Males and females will run in the order of the draw or at the discretion of the Marshall.

Ducks will be used in all tests.

All participants and spectators shall wear hunting attire, dark or camouflage clothing.

There is no concession on the test grounds, but Tim Horton's and McDonald's are close by.

Official CKC Rosettes and duck bands will be awarded to all qualifying dogs at the end of the test day.

Section 2.5.1 - There shall be no training of dogs on the grounds of a hunt test, except for single training bumpers which are thrown by hand by the handler, either within 24 hours of the commencement of the event, or at any time during the event. The Hunt Test Committee is responsible for enforcement of this provision.

Section 2.5.2 - Electronic collars (either dummy or live) as well as prong or pinch type collars shall not be worn by a dog on the grounds of a Hunt Test at any time during the event with the exception of those collars designed to curb barking which may be worn by a dog while kenneled.

Section 20.7 - It shall be the duty and obligation of the event giving club to see that a judge, club official, volunteer or any participant at a hunt test held under these regulations, is not subject to any indignities. The Hunt Test Committee Chair shall promptly report to the CKC any infringement of this regulation and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred. A copy of this regulation shall be prominently placed in every premium list and catalogue.

The GRCBC is a member in good standing with the Canadian National Master Retriever Club. As of July 1, 2010 only passes at Hunt Tests hosted by clubs in good standing of the Canadian National Master Retriever Club are considered in determining eligibility to enter the National Master Hunt Test Stake.

PLEASE NOTE – the Non-Member Participation Fee was effective January 1, 2011. An Annual Non-Member Participation Fee for awards and titles will be charged to a CANADIAN NON-MEMBER OF THE CKC. The fee will match the ERN fee. In order to protect the awards/titles earned, the non-member will have a choice to either become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be cancelled. These fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members.

If you have any questions or need more information, please contact the Test Secretary. ## COVID GUIDELINES:

- All handlers will be notified to go directly to the site of their stake and avoid all congregating in central areas
- Social distancing practices will be in place. Be mindful when speaking with others
- Parking - Please leave more space between your vehicles, within reason.
- Bring your own food and drinks, no lunches or snacks will be provided
- Remove all your garbage from the grounds. There will NOT be garbage bins available
- You may be required to place the bird in the bucket and/or on the drying rack and/or on the ground. Judges will NOT be required to take the bird from the handler but it will be entirely up to the judge's discretion as to how this is handled at each stake
- Avoid putting items (leashes, jackets etc.) on the holding blinds to avoid cross contamination as well as ensuring that social distancing is maintained
- Bring your own mask and gloves (if you choose to wear them). If handlers choose to wear protective gloves to the line, they must dispose of the gloves after leaving the line and put on new gloves with each ensuing series. If handlers choose to wear a mask to the line, they cannot touch the mask to move it up or down to use their whistle. This is equivalent to touching their face/mouth and they MUST sanitize their hands immediately.
- Only the handler of the dog should attend the event. This helps to keep attendance numbers low and reduce the risk
- A hand hygiene station will be set up at each stake between the last holding blind and the line. The station will include a hand pump bottle of hand sanitizer. Hand hygiene is required to be performed by everyone when:
  - on their way to the line
  - after leaving the line
  - routinely throughout the day
- Please bring your own sanitizer for your personal use outside of the stake area. Commonly touched areas will be cleaned and disinfected regularly throughout the day.

**Test dog / gallery guidelines:**

- Gallery must maintain social distancing at all times, handlers should only sit in their own personal chair and not use other people's chairs or umbrellas etc.
- Handlers will be expected to observe social distancing to watch test dog and plenty of time will be allowed for people to approach line one at a time to inspect the line in order to avoid crowding

**Bird delivery:**

- Marks: handlers will place the birds directly in a bucket after delivery, it will be the judge's discretion to inspect, whilst ensuring sanitization procedures are followed, if they have a question on a dog's bird handling
- Quartering: handlers will take the birds from the dog and place them on the ground behind them; after the handler has moved on the judge will pick it up and replace it

PLEASE PRINT, BRING AND SIGN AT **CHECK IN** (NOT BEFORE) – YOU WILL NOT BE ALLOWED TO PARTICIPATE WITHOUT RECEIPT OF THIS SIGNED DECLARATION.
