

COMPETITORS

IMPORTANT INFORMATION

- 1) Upon arrival please proceed to HQ up by the buildings. Drive slowly (like a snail!). We suggest arriving no later than 8:15 as test dog is at 8:30. We will convoy to the parking for each stake.
- 2) Porta Potty is between the buildings.
 - a. PLEASE **DO NOT** THROW ANY GARBAGE INCLUDING POOP BAGS INTO THE PORTA POTTY
- 3) Please take your personal recycling/garbage home.
- 4) Please pick up after your dog and air only in designated areas. Take poop bags with you or place in the designated buckets.
- 5) When parking at each stake, pay close attention to parking signs/ directions.
 - a. If parking along the driveway, you must back onto the edge of the field. Bring a cover for your crates &/or back windows so the dog(s) cannot see the test.
 - b. If driving thru a field stay in single file in the visible track so not to get stuck or disturb too much cover.
- 6) The Catalogue and Running order will be posted on dogshow.ca. Please print these for your own use if desired.
- 7) A copy of the Catalogue will be available to view at the Entry Secretary's desk. The Marshals have a copy of the running order.
- 8) Please note that there are pet classes occurring in the buildings. Please keep your dog under control at all times and do not interact with class participant's dogs.
- 9) GRCBC is celebrating their 50th anniversary year. A cake to celebrate will be at HQ on Saturday from 10:30 onward. Please come by and have a piece of cake to celebrate this milestone with us.
- 10) ENJOY THE DAY WITH YOUR DOG(S)! May your dogs run straight and your birds land belly up!

Thank-you for supporting our event. We look forward to seeing you all!

Sincerely
GRCBC Hunt Test Committee
