Due to the ever-changing COVID Restrictions, please be aware that any & all NS Government requirements, particularly those regarding the mandatory wearing of masks, supersede any protocols within this document.

Masks WILL be worn during all exercises & at all times within the building by all Trial participants.

The Cobequid Dog Club will follow all Federal, Provincial and local health rules when holding a trial.

The following are **allowable temporary changes** to the Obedience Rules and Regulations applicable while operating under COVID restrictions.

- The chair where the leash and other equipment is to be placed should be located at a convenient place determined by the judge but can be located in the ring or if not appropriate, just outside of the ring such that the handler can obtain the item without leaving the ring. The chair will be cleaned between exhibitors.
- If a re-throw of the dumbbell is required, the handler should be allowed to ask the dog to stay and the handler will go and pick up the dumbbell and return to where the dog was left. If the dog moves during this process, it will not be judged unless it is out of control
- For the article exercise in Utility, the handler can retrieve the articles to be scented from the article bag and put them on the 'article' chair
- In the Rally Advanced Class, the handler can put the leash in their pocket or hang it around the neck as in the Pre-Novice recall
- The exhibitor may either leave the dog on a sit stay or heel with the dog to the location of the chair to both obtain and return their leash and articles used during the exercises.
- Only those dogs earning a qualifying score will receive ribbons. No awards will be presented in the ring, but will be available at a separate location & be awarded observing COVID restrictions. The Cobequid Dog Club will NOT mail ribbons or awards to exhibitors.

Ring Procedure: In the Novice Intermediate, Open and Utility classes, before the handler enters the ring they shall place the dumbbell, glove and articles on a chair/table in a place designated by the judge until required and upon completion of their routine the handler shall retrieve the dumbbell, glove and articles before exiting the ring. The leash shall be placed by the handler in the same location as the dumbbell, glove and articles once they enter the ring. The handler shall retrieve the leash from the location designated by the judge before leaving the ring.

Exercises and Scores: The judge will post the choice of a Group Sit or Down at least 30 minutes before the start of the class and not more than one hour before the start of the trial in a location available for viewing by all competitors. This location may be inside or outside if the trial is held indoors.

Figure 8: Pylons/Chairs will be used for this exercise instead of Ring Stewards.

Examination: The judge will approach the dog (from the side) and touch its head only.

Group Exercises: A dog who fails any of the individual exercises is not eligible to compete.

Jumps: The high jump in all classes will be set according to Rally jump heights. There will not be any additional accommodation made for veteran jump height given the lowered levels. The Broad Jump will be spaced to cover a distance equal to twice the height of the high jump.

Routines: to be used will be Routine #1 only i.e., the routine used in the A class. "Change Of Positions" In the 18B class sequence (a) will be used

Articles: for the 'Seek Back' & "Scent Discrimination" will be visually approved by the judge.

Rally Walk-Throughs: A & B classes of each level may be combined and given a 10 minute walk-through in small groups of exhibitors & then each group will be judged. The next group will then have their walk-through, be judged, etc. until the level is completed. Social Distancing **MUST** be maintained during the walk-through & masks **WILL** be worn by the exhibitors.

Move-ups must be completed by the end of the Saturday's trial. **Day-of Entries** are **not** being accepted at this set of Trials.

- While on site, Competitors will remain in & work out of their vehicles; no indoor crating will be available unless physical distancing & crowd restrictions are lifted by the NS Government. If required, for the safety of the dogs, exhibitors will be allowed to crate their dogs along the fenced in area of the field. Spaces will be cordoned off by pylons so that there is a minimum 2m (6.5') between crating areas as well as where people are able to walk. Competitors entered in classes all day **must** pre-book outdoor set-up space with the Trial Superintendent; they must bring their own pop-up shelter. If your dog needs to pee or poop, it will need to be taken out of the set-up or crating area if you are set up on the Agility Field. The Trial Superintendent will enforce parking distances in the parking area.
- Hand Sanitizer is to be used on entering & exiting the building in addition to when necessary, on the show site.

Within the Building

- There will be multiple hand sanitizer stations on-site. Although hand washing is preferable, hand sanitizer can be used if hands are not visually dirty. Hand sanitizer will be at the entrance to building and at the ring table. It will be expected that whenever entering or exiting the building, people will hand sanitize as per facility protocols.
- The 'Door Steward' will be the only person opening/closing the manual door into the Inside Arena & should also wipe off high touch areas, such as washroom door knobs, taps and toilet flush between classes.
- Disinfectant wipes are to be used to clean door handles, seats, etc in the washroom facilities after use.

When entering the ring

1. The stewards will be masked.
2. The judge may or may not be masked.
3. Any judges briefing will be done with social distancing enforced.
4. For Walk-throughs in Rally, competitors will be required to wear a face mask as social distancing cannot be guaranteed. It must be worn properly covering both nose and mouth. Walk-throughs may also be split depending on class size. If split, order will be based on ring order.
5. You will be placing your leash and dumbbell on a tray beside the ring.
6. For Open and CDI competitors, you will be responsible for getting your dumbbell during your time in the ring. We have asked judges to keep dumbbell exercises sequentially.
7. When leaving the ring, you will wait at a marked area so that the next exhibitor team can enter.
8. Unless NS Gov increases gathering limits, currently there will not be a chance to have someone video you.
