## PRINCE ALBERT KENNEL & OBEDIENCE CLUB

### COVID-19 PROTOCOLS FOR 2020 SHOW

At the time of this notice (November 6, 2020) THE Government of Saskatchewan has set guidelines for social gatherings. Based on those guidelines the Prince Albert Kennel & Obedience Club (PAKOC) will be offering indoor benching and grooming with the following protocols:

#### MASKING

- All participants are required to bring your own masks.
- Masks must be worn any time that you are in the building.
- No spectators, crates or ringside tables will be allowed around the rings.

#### UPON ARRIVAL

- **Only persons listed on our entries will be allowed into the building. Wrist bands will be issued to all named persons—please wear them all weekend.**
- We ask that exhibitors allow a few extra minutes when they arrive at the building each day to allow for temperature scans and health assessments before entering the building. **DO NOT ARRIVE on the premises and expect to rush into the ring.**
- **You will be required to check in upon arrival and provide a signed copy of the required waiver BEFORE continuing on into the venue.**

#### BENCHING/POWER

- Benching with power using blow dryers are required to bring their own popup/shelters with sides attached. There is a map available at the show with entrances clearly mapped out by "red circles" indicating where doors of the tents MUST be in order to ensure social distancing.
- All other reserved grooming will be 8' x 8' with 6' social distancing space between benching areas. Due to the 6' distance between benching sites, there is a very limited amount of unreserved benching (6' x 8' spaces)
- For contact tracing purposes, there will be NO trading or changing of assigned benching spaces.

#### ARMBANDS / CATALOGUES

- Armbands and Catalogues will be at the Show Secretary's table in envelopes ready for pick-up, by exhibitor's/handlers' last name. In order to avoid cross-contamination all exhibitors/handlers handling multiple entries will be given duplicate armbands.
- Please know your armband numbers – you will have received these numbers via email from DogShow.ca There is no "public" catalogue available for your use at the Show Secretary's table.

#### MOVE-UPS

- Please have ALL of the information required in order to move a dog up with you as there will be no "public" catalogue available for your use.

#### MARKERS / SIGNS

- There will be markers at ringside and in the ring. Directional signage is to be followed

#### RIBBONS

- Ribbons will be on the table as you exit the ring. Please take your appropriate placement. If you take the ribbon, please DO NOT return it to the table. We ask that you keep it or not take it at all.

#### PRE-ORDERED FOOD

- Food can be ordered through the premium list (menu will be included). Please prepay with your entry. Lunches will be delivered, individually packed with cutlery and condiments.

#### SOCIAL DISTANCING MUST BE MAINTAINED AT ALL TIMES

- Hand sanitizer and hand wipes will be on tables throughout the building.
- Exhibitors will be responsible for proper social distancing when setting up their tents/areas.
- The PAKOC will do everything we can to help keep everyone safe, HOWEVER it is up to you as the exhibitor to follow the rules of social distancing and mask wearing.
- Please, please DO NOT confront anyone if you see something that is not being conformed to—let the Show Chair know of your concerns and they will be addressed.

#### BATHING AREA

- One person at a time in the bathing area
- Bath and walls must be sprayed down with the supplied disinfectant before you leave the bathing area
- For your protection please wear gloves when bathing and when cleaning the area
