JUDGING SCHEDULE

Torbay Common
8 Kinsmen Place
Torbay, Newfoundland

Important Information

- Doors will open at 8am both days.
- If your class is running before the lunch break on Saturday, please ensure that you arrive promptly at 8am Saturday morning to assist with ring set up. If we do not have enough hands to assist with ring set up, then we may run behind schedule. Your trial committee all have their own jobs to do to ensure the trial runs as smoothly as possible and cannot be solely responsible for ring set up.
- If your class is running after the lunch break on Sunday, please be prepared to stay after your class Sunday afternoon to assist with ring tear down. We understand that everyone is tired and just wants to go home after their class on Sunday, but if we do not have enough hands to assist with tear down then we may be unable to offer these trials in the future. Your trial committee will have been on site since 8am both days of the trial and cannot be solely responsible for ring tear down. If you are entered both before and after the lunch break, then you may choose either Saturday morning set up or Sunday afternoon tear down.
- Day of Trial entries for Rally will be accepted until 8:15am both days, and for Obedience until 11:50am both days. Entries may be paid in cash (exact change only) or by EMT to nkctreasurer@gmail.com with confirmation code provided to the Trial Secretary. Day of Trial entries are \$45 per run and \$25 per day for Exhibition Only; see Premium List for information on multi-class discounts. Please submit entries for Sunday before you leave on Saturday if possible.
- Changes of Entry (Move Ups) for Rally will be accepted until 8:45am both days, and for Obedience until 12:20pm both days. Please submit changes for Sunday before you leave on Saturday if possible.
- The judge will take a lunch break of no less than 30 minutes as scheduled. If the trial runs behind schedule, then the start time of all classes after the lunch break will be adjusted accordingly.
- Crates and crate covers are strongly recommended for all dogs.
- It is of extreme importance that everyone is vigilant about ensuring their dogs are not peeing or pooping inside the building, nor against the outside of the building or too close to any entrances. If you see any poop, please pick it up, even if it's not yours – in Agility we call this “Adopt-a-Poop!” These issues are the #1 reason that clubs lose access to these facilities. Torbay Common is a beautiful new facility and they have been gracious enough to allow us to rent their space for these trials, so please do not allow your dog to do anything that may prevent us from renting this space in the future. Anyone seen not picking up poop or allowing their dog to pee on the building or near the entrances may have their future entries rejected. There are tons of green spaces away from the building for potty breaks.
