

**NORTHERN ALBERTA POINTING DOG CLUB**  
**WATER DOG JUNIOR RUNNING ORDER**  
**SATURDAY, JUNE 29, 2024**

A few notes to accompany the running order:

1. The entrance to the test ground is found at 52°48'51.9"N 113°11'48.7"W  
 If you put this in your mapping program, it should take you to highway 611/822 southeast of Wetaskiwin. From the PIN, there will be NAPDC signs directing you to turn north and guiding you into the test site. My personal cell phone is (780) 915-1395. Call if you need directions.
2. People are travelling to the test site and we want you to arrive safely. If you happen to be delayed and absent when your dog is called, we will drop you to the bottom of the running order for the test you have entered. You will not lose your chance to test your dog.
3. Smoking outside your vehicle and open fires are not permitted.
4. The Club will be grilling hotdogs and everyone is welcome.
