

Atlantic Rat Sports

Atlantic Division of RATS! Canada

Barn Search and Brush Hunt Practice

Sunday January 24th, 2016 ~ 10am to 1pm

Ardoise Community Recreational Centre

3 Ardoise School Rd, Hants County, Nova Scotia

\$10.00 per team (\$2.00 per every extra dog)

Limited Entry!

Barn Search and Brush Hunt are similar to nose work, as dogs must use their noses to locate the proper tube that contains the rat.

Even-though this is a natural instinct sport for your dog, previous introduction and familiarization to the scent of a rat is recommended.

A brief introduction to the scent of rats will be offered at the beginning of this practice.

Practices are being held in preparation for **RATS! Canada** matches and trials to be held this spring, summer and fall.
