

World Class Distance Skills Agility Workshop
October 1 – 2, 2011
Okotoks, AB

You are invited to attend Calgary Associated Dog Fanciers' Agility Workshop 2011
-WORLD-CLASS DISTANCE SKILLS-

Anneli Hilton & Slice represented Canada at the World Agility Open Championships 2011 and brought home the gold! Anneli teaches students with a wide variety of dogs to perform agility obstacles at a distance, with confidence and speed. Distance work is challenging since it doesn't easily fit into most handling systems. We're excited to learn how she does it.
