Important Note: Volunteer Roles

We have a small but mighty dog sports community in NL running a substantial number of trials. The NKC Obedience & Rally Committee consists of only seven people, many of whom also serve on other committees both for NKC and other local clubs.

While we appreciate that everyone would love to show up, trial, and head home – we'd love to do that too – we absolutely cannot continue to offer these trials without everyone's help.

Anyone who trials in Agility knows that the expectation is that all handlers volunteer for both set up and tear down of the trial, as well as take on other volunteer roles throughout the day. The same is true of Obedience & Rally trials.

We kindly request that all handlers make themselves available to assist with set up Friday afternoon, tentatively 4pm, as well as for tear down Sunday afternoon.

We are also seeking volunteers to help with the following vital roles:

- Transporting equipment from Buckmaster Circle to the trial venue Friday afternoon, tentatively 3pm (we need at least two pick up trucks and 6 volunteers.)

- Transporting equipment from the trial venue back to Buckmaster Circle Sunday afternoon (we need at least two pick up trucks and 6 volunteers.)

- Making or purchasing, and delivering, lunch for the judge and three ring stewards (need one person each for Saturday and Sunday.)

****We understand and appreciate that some people may have physical limitations which prevent them from helping with the more physical tasks. We would never turn an entry away for this reason! Please feel free to reach out to the Trial Secretary by email and we can chat about other options.**

Schedule of Events

April 20th – Obedience Trial 1 & Rally Trial 1

April 21st – Obedience Trial 2 & Rally Trial 2

Flat ribbons will be awarded for all Qualifying Scores, and rosettes will be awarded for all Highs in Class and Highs in Trial. Prizes will be awarded for both Highs in Trial.

It shall be the duty and obligation of the trial-giving club to see that a judge, club official, ring steward, volunteer or competitor at an obedience or rally trial held under these regulations is not subject to indignities of any kind. The Trial Chair shall promptly report to the CKC any infringement of this regulation, and the CKC shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.

All exhibitors are required to clean up after their dogs. Clean up bags and garbage bins are available for this purpose throughout the trial site. There continues to be those who do not take responsibility for their dogs, jeopardizing the club's access to this venue. For this reason, exhibitors who permit a dog to soil on the trial grounds without cleaning up will be denied entry to NKC shows and trials for one full calendar year.
