Obedience Workshop - continued

Everyone enters the Obedience ring with 200 points how many do you want to leave with ... a mini Working Obedience Seminar with Bruce Gibbons.

This seminar is a hands-on workshop to help you do the right things at a Fun Match or Trial or more importantly quit doing the **wrong things**. Bruce will review what are the most common mistakes that people make and give you tools to help solve your biggest problems.

All teams teams will get an opportunity to submit in advance of the seminar one problem that they would like Bruce to help them with and at least 2 runs in the Obedience ring where the Trial will be held and receive feedback on their performance and how to solve the problem.

Maximum 12 working Teams ... this is a working seminar and all proceeds will be donated to the Clubs Obedience & Rally program.
